

**MOUNTAIN SHADOWS HOA AND PALM SPRINGS DISPOSAL  
ORGANIC RECYCLING PROGRAM  
OCTOBER 2022**

Per state law, Palm Springs Disposal will be delivering new green organic waste bins soon, which will be placed next to the regular waste dumpsters and the recycling bins.

Food waste can be bagged in clear compostable bags, clear or white plastic bags and/or paper bags. If the waste is not in a compostable bag, the facility receiving this waste will need to dump it out and throw away the plastic/paper bags.

Yard waste (like plants, trimmings and grass clippings) can be put in the organic waste bins, but do not put it in bags.
